No. D. 10460—*A. & E.* 337-29-7, *dated* 19*th May* 1931.

In modification of the Rules for the grant of loans for starting and improving Dairy Farms in Mysore, published with Notification No. 4339—Agri. 17-14-3, dated 26th April 1915, Government are pleased to issue the following rules :—

The Government may grant loans for starting or improving Dairy Farms in Mysore on proper security up to a limit of Rs. 5,000 in each case.

2. (1) Sufficient grounds for grazing purposes or for growing fodder may be leased out from assessed or unassessed waste lands and such portions of shendi vanams (date groves) and Amrut Mahal Kavals as can be spared by the Departments concerned, to persons undertaking to start Dairy Farms.

(2) Suitable sites up to 5 acres in each case may also be granted for the location of the buildings for the Dairy, a reasonable price being levied therefor.

NOTE.—The selection of the grazing grounds and the building sites required by each applicant should be made under the advice and directions of the Deputy Commissioner of the District or the President of the Municipality concerned, who will give the applicants all possible facilities.

3. The rate of interest charged on loans granted under these rules shall be 5 per cent per annum.

The Government may, if they deem fit, reduce the rate in special cases.

4. The loan shall be repayable in fixed annual payments, discharging both principal and interest. The period allowed for the repayment of the entire loan shall not exceed ten years.

5. In every case in which a loan is granted under these rules the borrowers shall execute an agreement mortgaging as a first charge the Dairy Farm with all the lands and buildings appurtenant thereto, and the cattle and live stock maintained therefor, for the amount due. And no loan shall be granted unless additional security is offered in the shape of other immovable property the value of which is at least equal to the amount of the loan applied for.

6. Applications for loans shall be made to the Deputy Commissioner of the District wherein the Farm is proposed to be established.

"The Deputy Commissioner, after enquiring into the *bona fides* of the application and the sufficiency of the security offered, shall forward the papers with his opinion to the Director of Agriculture, who shall, after completing the investigation, obtain the orders of Government on the application."

7. Every person to whom a loan is granted for starting a Dairy Farm should agree to start the concern within one year from the date of disbursement of the loan or the first instalment thereof and to bring it into full working order to the satisfaction of Government within a period of three years from that date; failing which the lands leased out to him shall be liable to be immediately resumed, and the entire loan recovered *at once.*

8. In all other matters relating to the disbursement, repayment and recovery of the loan, not expressly provided for in these rules, the provisions of the Rules issued under Notification No. R. 4319—Agri. 91-08-4, dated 2nd January 1909, shall apply.

9. Every Dairy Farm assisted by Government should keep regular *accounts which together with the farm and its appliances* shall be open to inspection from time to time by officers appointed by Government for the purpose.

10. A special report on the general working of the dairies and the financial results should be annually submitted by the Proprietor of each such Farm, to the Deputy Commissioner of the District concerned, before the 31st July succeeding who should pass it on to the Secretary to Government with his remarks.

By Order,
R. RANGA RAO,
Secretary to Government,
Development Departments.
